

Date : March 13~15, 2019

Venue : Kimdaejung Convention Center, Gwangju, Korea

## Global Photovoltaic Conference 2019

The conference will be organized by Korea Photovoltaic Society (KPVS) and held at Kimdaejung Convention Center, Gwangju, Korea, from March 13 to 15, 2019. In GPVC 2018, the previous conference, 49 specialists were invited as speakers, over 409 abstracts were submitted, and about 514 delegates from more than 22 countries registered. Following the established long tradition of this series of conferences, we expect the GPVC 2019 to be a truly specialized international meeting, with over 550 participants from all over the world.

### Conference Topics

- Silicon Solar Cells and Materials (CSi)
- II-VI & Chalcogenide compound based cells and materials (CiS)
- Quantum, Perovskite, Organic and Dye-sensitized Solar Cells (QPOD)
- Hybrid Photovoltaics (HPV)
- III-V compound based concentrator and space PV systems (GaP)
- PV components, modules, systems, PV reliability, standardization, markets and policy (MSR)
